

Patient Inclement Weather Policy

In the event of an office closure due to inclement weather our office will make every attempt to notify you in advance.

If we have received permission to contact you via phone call, text message or email message, then all approved methods will be attempted by our alert notification system with the message that our office is closed.

In addition, provided that our electronic systems are available, we will update the website and Facebook pages.

If you are unsure whether or not our office is open please call our office at (410) 647-2600. If we are open and operating, then a live person will answer the phone to let you know. **If we are closed there will be a message stating that our office is currently closed.**
